10KG WASHER

Features and Benefits:

16 Programs	Direct Injection, Care Technology, Eco-Tech, Memo, Woolmark Platinum Care, Super Silent, Inverted Motor, Super Wash, Bed & Bath, Steam Refresh, Duvet, Anti-overflow
Direct Injection	Works perfectly with all detergents. Offers a brilliant clean even at low temperatures. The water and detergent are mixed prior to being released into the machine
High definition washing	High Definition cleaning by converting the detergent into a foam and then directly injecting it into the drum, giving up to 60% more cleaning power in the important first phase of the wash cycle.
Super Silent	The Super Silent washing machines have a tri-phase motor designed with a suspension system that absorbs even the strongest vibrations to ensure absolute silence, even during spinning.
Woolmark Care	Woolmark Care is the best certification issued by The Woolmark Company to the brand that achieves such high standards of quality that its washing machines can wash garments bearing the "handwash only" label.
