FA5S 841 JPBLGAUS

60cm Built-In Steam Pyrolytic Oven

FEATURES & BENEFITS

Multi-flow technology

Designed to give you free reign in your desire to try things out, letting you express your creativity in the kitchen with consistently excellent results.

Steam cooking

Maintain the nutritional values and vitamins thanks to the gentle cooking of steam.

Pyrolytic clean

A cleaning cycle that need no chemical products, thanks to the temperature of 470° C that reduces the grease to ash. The residue ash can then be easily removed using a damp cloth.

5 YEAR WARRANTY on parts and labour.
