Radiant Cooktop

ARISTON

Radiant Cooktop

Features and Benefits:

4 Ceramic Cooking Surfaces	Ceramic cooking ensures quick and uniform results, easy cleaning and completely safe.
Front Touch Control	Easy to reach and safe front touch controls
Child Safety Touch Control	To avoid programmed Touch Control commands being accidentally changed, or to stop children from activation them it is equipped with a safety lock
Frameless Design	Not only does it look good, but it's easier to clean without the usual steel lip on the edge of your hob trapping dirt and grime
Residual Heat Indicators	As long as the element is hot this light will continue to glow. Less chance of burning yourself.
