14 Place Setting Dishwasher

14 Place Setting Dishwasher

Features and Benefits:

5 Wash Programs:	Intensive, Normal, Delay, Express 40', Half load (for when the load is smaller than usual)
14 Place Settings	More capacity means less wash loads, saving you both water and energy
49dB	The Quiet operation of this dishwasher means that it is advantageous for open kitchen designs and small kitchens' alike.
Adjustable Top & Bottom Racking	Thanks to the foldable racks there is also room for larger pots and dishes on both the top and bottom baskets.
Adjustable Top Basket	In order to make it easier to arrange the crockery, the top basket may be moved to a higher or lower position so that it suits your needs
Top Basket with Adjustable Sides	The side holders can be positioned at different heights to optimize the arrangement of crockery & glasses on the top the rack
Aqua Stop	The Aqua Stop system consists of a double-walled supply hose & a safety valve, which offers you protection against water damage
Concealed Heating Element	Less chance of damaging the element or burning plastics if accidentally dropped into the base of the dishwasher.
