Programmes

Eco, Intensive, Everyday, Express 30', Soak

Place Settings

This Dishwasher has a 14 place setting. With more capacity means less wash loads, saving both water and energy.

Adjustable Top & Bottom Raking

Thanks to the foldable racks this dishwasher provides additional space for larger pots and dishes on both the top and bottom baskets.

Half Load

For loading half the table settings distributed among various racks, while ensuring the same washing efficiency with reduced consumption

Aqua Stop

The Aqua Stop system consists of a double-walled supply hose & a safety valve which offers you protection against water damage.
