

LFD 11S123 OX AUS

Freestanding Dishwasher

Freestanding Dishwasher

Features and Benefits:

Active Oxygen*	This device releases ozone molecules into the dishwasher, i.e. a natural substance that reduces unpleasant odours.
11 Wash Programs	Eco, Auto Fast, Auto Intensive, Auto Normal, Trio Wash, Delicates, Express 30', Soak 12, Good Night, Sanitizing, Self Clean.
15 Place settings	More capacity means less wash loads saving water and energy
43 DBA	Very quiet operation so as not to disturb your peace and quiet, our machine is no louder than your fridge at home
3 Zone wash	 This option makes it possible to carry out the wash cycle in the selected rack only.
Turbo Dry	This dishwasher offers a sensor and turbo dry so you can have your items dry in no time
Flexible baskets	A great deal of flexibility allows you to wash all types of plates, pots and pans with ease
Aquastop	To ensure that you never come across any problem with leakage, Aquastop will stop the flow of water when it detects a leak
Display	Digital display offers you the best display options
Trio Zone Wash	New hydraulics and independent control of the sprayers giving you extra clean dishes, three treatments in one program, intensive on the first rack and normal on the other two
