FEATURES & BENEFITS

Induction Cooktop Benefits

Quick heat up and consistent temperature makes induction cooking the best choice, especially when cooking delicate foods such as; sauces and chocolate.

Induction Flexizone

Using the Flexizone you can transform two cooking areas to one large area allowing you to use large pots and pans.

Easy to Clean

Not only does it look good, but it's easier to clean without the usual steel lip on the front edge of your hob trapping dirt and grime.

Instant Control System

An easy to use slider that allows you to change settings within seconds. Minimising the chances of burning food or overcooking dishes.
