

PK750R TGH AUS

75cm Gas Cooktop

ARISTON

FEATURES & BENEFITS

Gas Burners

5 gas burners of which 1 has a double ring-double regulation and a Wok burner so that there is a burner for all types of cooking.

Flame Failure Safety Device

The cooktop will automatically switch off the gas supply if the flame goes out.

Double Ring-Double Regulation

This is an extremely versatile and powerful burner that can be used to cook easily with different sized pots and pans by adjusting the flame independently on each crown.

Cast Iron Trivets

Cast iron trivets are long lasting and easy to clean.

Triple Ring Burner

Powerful burner which allows you to adjust the heat accordingly for wok cooking.
