

# UP350 I (FE)

## 255L Vertical Freezer

### 255L Vertical Freezer

#### Features and Benefits:

<b>Reversible Door</b>	Change the door to open either way. This makes it much more user friendly in any kitchen layout.
<b>Super Freeze</b>	This will cool the cavity quickly. Perfect if you want something cooled quickly (such as drinks) or if you put items in that are not already chilled.
<b>Frost Free</b>	No need to defrost manually and scrape down ice, it will regularly run defrost cycles to prevent ice build up.
<b>Alarm</b>	The alarm is fitted with 2 modes. Not only will it let you know if the door is left open, but it will let you know if the temperature inside the unit become above average.
